JOURNALISM CLUB

The Journalism Club is composed of all those students actively engaged in the preparation and putting out of the "Armijo Student," Armijo's weekly publication. The officers of the club for the 1940-41 term are Guido Colla, President; Merle Preston, Vice-President; June Perry, Secretary. Guido Colla was the Journalism Club's representative on the Board of Control.

A dinner was held in January at the "Park Inn" in honor of the outgoing staff and to welcome the incoming staff. At this dinner,

speeches were made by both incoming and retiring staff members. Other activities of the Journalism Club consist of an open house exhibit, a birthday party, and also the securing of class pins.

The Journalism Club was honored to have four of its members selected for the La Mezcla Staff. Those members were Roy Mason and Carmen Rozadilla, Co-editors; Merle Preston and Elmer Lorenzen, members of the sports staff.

Miss McKinney is the adviser for this club.

DRAMATICS CLUB

The Dramatics Club of the Armijo Union High School is composed of all those students who have actively taken part in any of the school plays given throughout the school term. Miss Emily Reese is the director and sponsor of all dramatic programs given to the Student Body. Mr. Gale Greenwood, Stagecraft instructor, has charge of the lighting, making, and arranging of all sets for the plays given during the year.

During the 1940-41 school year, the Armijo Dramatics Club presented four one-act plays in the Armijo Auditorium. The plays were **Three's a Crowd** with a cast consisting of Guido Colla, Grace Campos, Jack Isaacs, Lucy Escano, and Herman Campos. The second play was entitled **Objections Overruled** including Alfred Saltzman, Jane Figari, and Dorothy Jilson. The third play was **Washington's First Defeat** featuring Benson

McGann, Helen Hallisey, and Patsy Roberts. The next feature attraction of the year was entitled **Ballad for Americans**. This patriotic song included all girls in Miss Reese's Glee Club, combined with a Fashion Show directed by Miss Florence Bosshardt, and Dances directed by Miss Mary Frances McKinney, Gym Instructor.

The 1941 Senior Dramatics Class presented for their Senior Play **Shooting High**.

Leading parts were played by Wanda Wood, Bill Chadbourne, Tom Scally, Pat Roberts, Roy Mason, Helen Hallisey, Victor Baciarini, Benson McGann, and Jean Stell. The supporting cast was played by Beverly Newell, June Soares, Betty Smith, Catherine Downer, Helen Woodward, Herman Campos, Edward Alonzo, Alfred Saltzman, and Merle Preston.

STAGECRAFT

The Stagecraft class was organized at the Armijo High School for the first time in the spring of 1938. It is composed of students who are good enough in carpentry, art work, painting, and designing to be able to do stage work.

Much has been done during the last four years to construct a basic set of stage flats and properties. This construction work by the stagecraft class has entailed a great deal of time and effort on the part of a few students in order to have the stage ready with an attractive set for all of the school's dramatic productions. The stagecraft class deserves a great deal of credit for the hard work and long hours they put in after school in order to build stage scenery.

Among the stage sets made for plays this year was the set for "Three's a Crowd." In this

set the chief problem was to get proper lighting effects for action which took place in a park at night. Another play, "Objections Overruled" was set in a park during the day time and the stagecraft class worked out a very attractive theme using artistic trees and shrubery. For the play "George Washington's First Defeat" a colonial drawing room was created very effectively. Outstanding stage sets were built for "Ballad for Americans" and "Shooting High," the Senior play.

In addition to building stage sets the Stagecraft class has been given the job of decorating the gymnasium for the Sophomore Hop and the Junior Prom.

This class is under the able direction of Mr. G. Greenwood.

G. A. S.

The most active of all school organizations is the Girls' Athletic Society. This year, fourteen new members were initiated into the G.A.S. The new members are Beverley Newell, Barbara Macy, Wanda Wood, Dickie Bransford, June Perry, Leola Wagoner, Louise Morris, Veleta Jones, Olivia Muzio, Antoinette Cordado, Norma Cherimisin, Josephine DeGracia, Elise Lewis, and Marjorie Ridenhour.

On October 20, the G.A.S. held a play-day at Armijo in which the athletic societies of Rio Vista, Benicia, and Vacaville took part.

The Varsity team of the G.A.S. played basketball with the varsity team of the Vallejo Athletic Society.

The officers of the G.A.S. are as follows: President, Carmen Rozadilla; Vice President, Alta Wagoner; Recording Secretary, Helen Hallisey; Corresponding Secretary, Helen Osada. The Block A consists of all those boys who have fulfilled the requirements for earning a Block A in football, basketball, track and field, or tennis. Only members of the Sophomore, Junior, and Senior Classes, properly recommended by the Coach and Principal, are eligible. These recommendations are based on attitude, good sportsmanship, successful participation in league contest, and in the keeping of training regulations.

The 1940-1941 officers are Clarence Woodard, President; Robert Lambrecht, Vice-President; James Perez, Secretary; Roy Mason, Member of the Board of Control, and Herman Campos, Sergeant at Arms. On March 24, 14 new members were initiated into this society, under

the direction of Coach Hopkins and his committee of Roy Mason, Herman Campos, Clarence Woodard, and Benson McGann. Meetings were held every Thursday night with one hour of business and one hour of sports.

The Block A gave dances and participated in evening sports against the Lions Club and other organizations in the Twin Cities.

Outgoing members this year were: Herman Campos, Roy Mason, Clarence Woodard, Benson McGann, Eddie Alonzo, Donald Ridenhour, Henry Maeyama, Fred Chadbourne, Bill Chadbourne, Merle Preston, Casey Hoshizaki, George Ikenaga, Elmer Lorenzen, Alfred Saltzman, and Warren Uchimoto.

FOOTBALL

This year's varsity football squad had many new faces. Among these new faces was Coach "Ed" Hopkins. Coach Hopkins stepped into the shoes of Coach Bailey, who accepted the job as head coach of basketball and track at Woodland High School.

This marks the first year of coaching for Hopkins; and, so far, it has been pretty successful. With most of last year's varsity going out of school, this year's varsity was supposed to be lucky to win any game at all.

After weeks of intensive practice for the Indians, Crockett invaded Armijo for the first grid encounter of the year, and little was expected from our varsity. Both teams kept marching up and down the field trying to score, but to no avail; and the score ended 0-0.

Then St. Helena tried their luck; and, looking for an easy victory, was completely surprised by Armijo's scrappy eleven and found themselves on the short end of a 14-6 score. Everyone began to sense that Armijo was going to have a better-than-average team.

Dixon came to Armijo hoping to take a win, but this hope was short-lived; and, when the game was through, Armijo had won their second straight 13-9.

Benicia then came over with an outfit that meant business. Hopkins started his second string, but Benicia put over a fast touch-down. Then he inserted the first string,

and both teams battled to a 19-19 tie. Lucky for us.

Everything was going along all right until the league started. Vacaville, which, on the paper, had the weakest team in the league, invaded the Armijo field in the first league game of the season; but the Bulldogs also came with plenty of determination to win. Armijo shoved over a touch-down; but Vacaville came back with a score and the convert, and held the lead for the remaining minutes of the game to win 7-6.

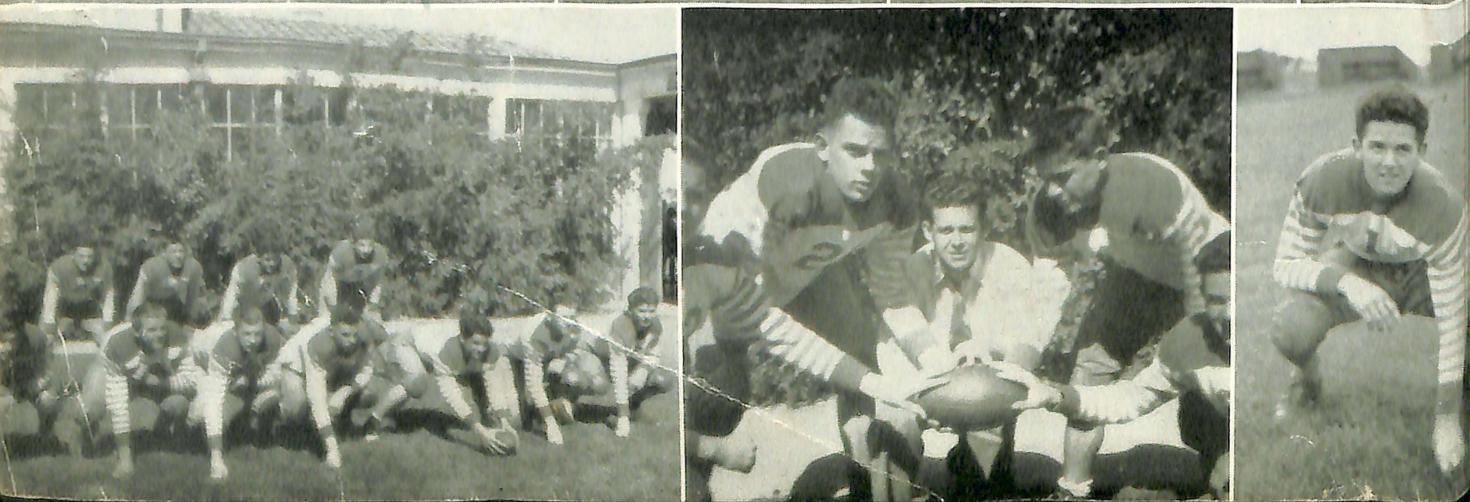

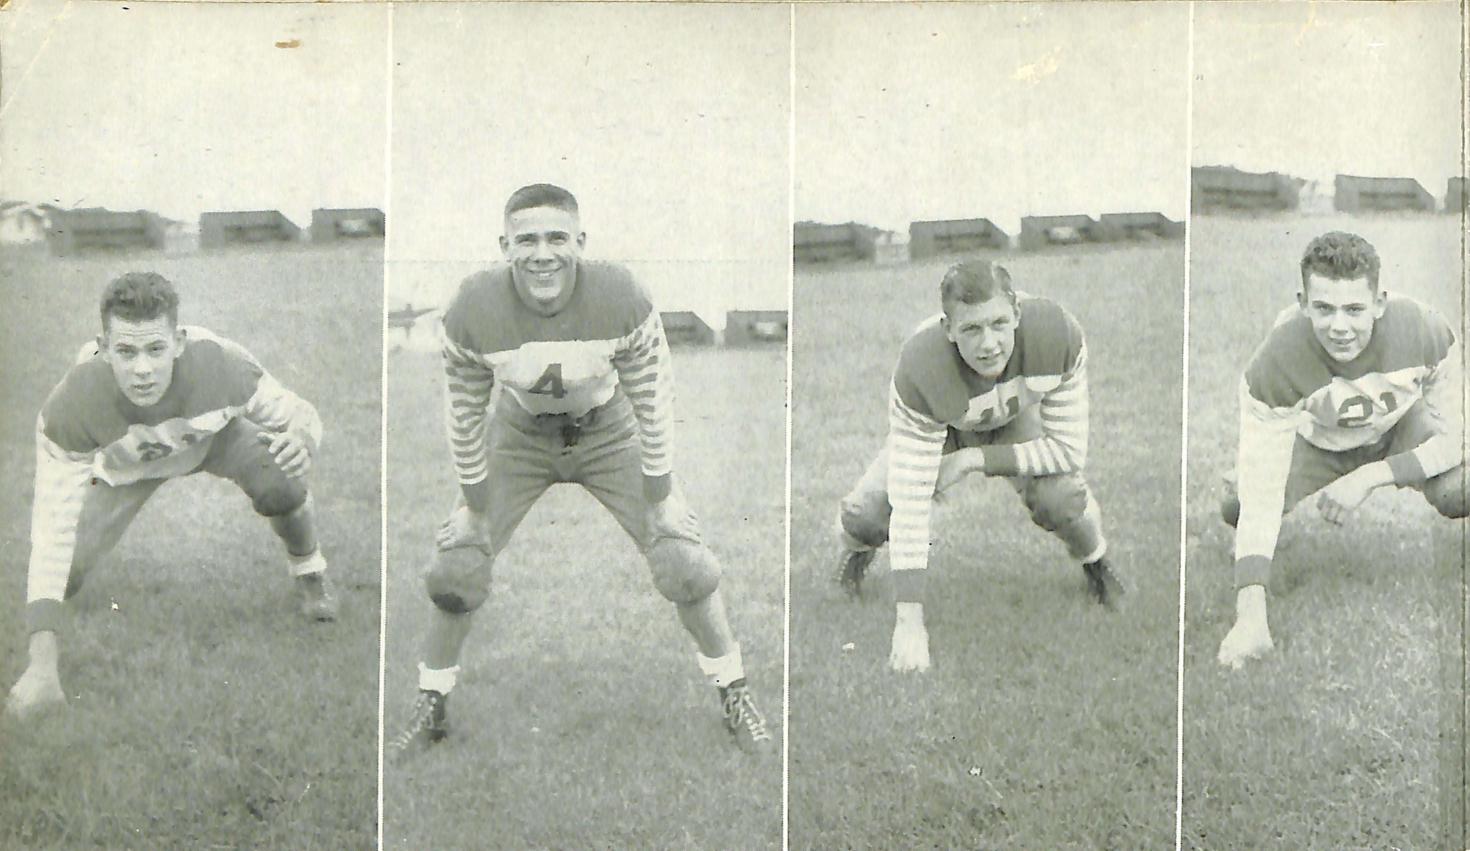

The Indians, still trying to get on top again, traveled to Rio Vista, where they met the strong Rio Vista "Ram" eleven.

Armijo played the best game they had played all season; and, after outplaying Rio for the first three quarters, the Rams wore the Indians' forward wall down and engineered two fast touch-downs. Armijo had its chances to score, but every attempt failed to materialize; and the game ended 14-0 for Rio.

The Varsity's last game was played against Winters in which Armijo played its third tie of the year—13-13.

The Indians' record for the season showed two wins, two losses, and three ties.

The reserves also had a good season, in which they finished with a .500 percentage. They also helped the varsity out by giving them plenty of stiff scrimmages.

CLASS A BASKETBALL

Beginning the season with two veterans from last year's Central California Championship team, and strengthened by members from a strong B squad, the Armijo Varsity completed a successful season by defeating the Davis Blue Devils for S.C.A.L. honors.

Invading the Vacaville Gym for the league opener, the Indians easily defeated the Bulldogs 32-20. This was followed by another win over a strong Benicia quintet in the bay boys' gym 25-17. The war cry of the Indians was quelled the following week when they bowed to the fast breaking Rio Vista Rams 28-25. On the war path the following two weeks, Vacaville and then Benicia became victims of the Warriors. Seeking revenge for the previous defeat and by playing their finest game of the season, the Indian Five

closed the Southern Section race in Championship style by a 39-22 victory over Rio Vista on March 7.

On March 14, the Armijo Varsity concluded their successful season by emerging victorious over the Davis Blue Devils in an overtime period 37-35. Because of a new ruling, only County honors are obtainable. The line-up which started the majority of the games was Lambrecht and M. Gonzales, forwards; C. Woodard, center; B. Chadbourne and B. McGann, guards. Substitutes who served throughout the season included D. Ridenhour, H. Seitter, D. Glashoff, L. Smith, M. Preston, E. Alonzo, J. Perez. The last two were elevated to the ranks of the Varsity from the B team late in the season.

CLASS B BASKETBALL

Although no championships were won, Armijo was represented by a B team that provided the crowds with many thrills, but because of the excellent competition the lightweights had to end their season in a tie for third place.

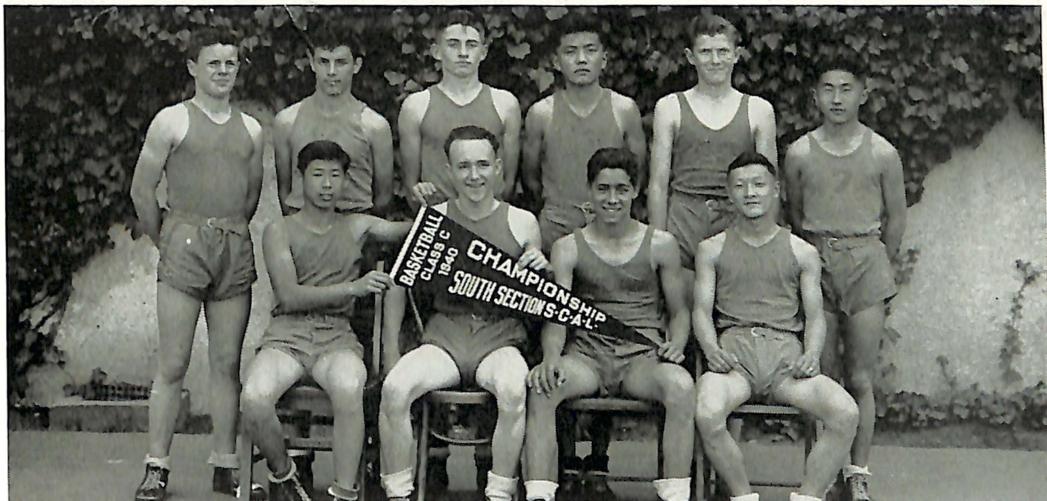

Bowing to a decidedly better team, the lightweights were overwhelmed by the Vacaville Bulldogs 36-20 in the first game of the season. Losing their second game to Benicia 26-19, the Indian lightweights put on their war paint and upset an over-confident Rio Vista team 25-19. To complicate league standings the Indians were again defeated by a Vacaville team that had been beaten by Rio Vista. The following week

the Benicia Panthers succumbed to the lightweights 42-17. With two of their first string men moved up to the Varsity, the Indians put up a fine exhibition and were barely nosed out by the Rio Vista Rams 38-31. The starting line-up for the majority of the games was E. Lorenzen and L. Dodge, forwards; J. Perez, center; E. Alonzo and A. Tomasini, guards. Substitutes included G. Colla, D. Woodard, R. Nakamura, C. Chadbourne, R. Sheldon, A. Mori, F. Perez, and L. Faria. The last three were first string players on the C team, and added to the strength of the B's.

CLASS C BASKETBALL

Because of a new ruling, the Class C basketball squad began their season in September. By the beginning of the A and B season, the Indian papooses had a pennant for the South Section Championship.

With no regular returning, the C's began their season with a hard fought victory over Benicia 24-19. Making use of previous game experience a Bulldog scalp was easily obtained from Vacaville 21-13. Meeting the Rio Vista Rams with one regular sick almost resulted disastrously for Armijo. But by playing excellent ball, the Indian Papooses came out on the long end of a 17-15 score. The following week the entire squad saw action against a weak Benicia

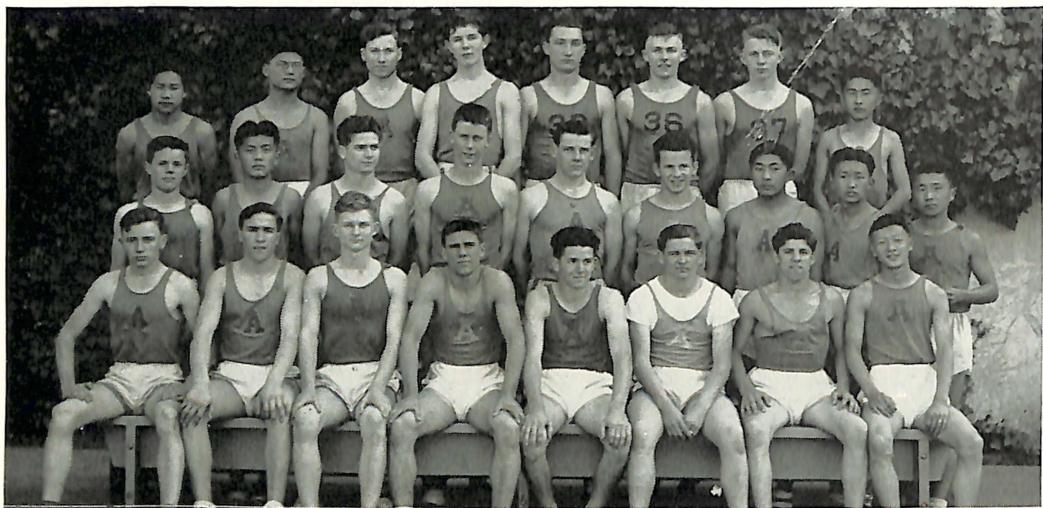

Quintet. Meeting Rio for their second tilt, the C's barely nosed out the Rams 14-13. This was the fifth straight win for the classy little purple and gold boys. Trying a new combination they suffer their first league loss to Vacaville 18-17. As Armijo was the only team with five wins, they were the unquestionable champs of the Southern Section of Solano County. The line-up which started the majority of the games was F. Perez and E. Souligny, forwards; L. Faria, center; A. Mori and A. Hoshizaki, guards. Substitutes who served throughout the season included Y. Hirota, D. Root, E. Athey, G. Ikenaga, R. White, and J. Paoli.

TRACK AND FIELD 1941

Due to the early printing of the La Mezcla, the complete season results were not available, but there were indications that the Indians would put representative teams in competition in the Unlimited, Class B, and Class C divisions.

Meets were held with Winters, St. Helena, and Davis, in addition to the regular S.C.A.L. meets. At Winters all three of our teams competed, and our class B team won the meet over

Winters, Rio Vista, Esparto, and Dixon.

Four boys, Alonzo, Pappas, Nakamura, and Maeyama went to the St. Helena Invitational Meet: G. Pappas was the only one to place. At Davis, Alonzo took a third in the mile.

The Class B also won the S.S.S.C.A.L. meet held at Vacaville.

Girls' Sports

The sports season for 1940-41 was very successfully played with Miss McKinney as our adviser. Also, the cooperation by the girls of all the classes helped make it more successful.

With the good weather, baseball season was opened. Elaine Chadbourne, baseball manager, scheduled the games for the interclass games which were played after school. This year, the Juniors fought their way up to the top with the Seniors right behind them. Because of their victory over the upper class girls, they became the champs of baseball.

At the conclusion of baseball, an All-Star team was selected by Miss McKinney and Elaine Chadbourne. Those who made the team were Frances Kojima, Elaine Chadbourne, Aiko Takimoto, Pat Stell, Carmen Rozadilla, Ida Osada, Veleta Jones, Leola Wagoner, and Alta Wagoner.

With the termination of baseball, the next sport played was basketball. This sport was very enthusiastically played by the girls, and the most popular sport among them. Our basketball manager this year was Frances Kojima. For several weeks, the gym classes practiced the game and then class teams were selected. Games were scheduled, and these were played during seventh period.

Two rounds were played, of which the Juniors were the winners of the first, and the Seniors of the second round. The winners of the two rounds played once again to determine the championship of the season, and the Seniors emerged as the victors.

After the interclass games ended, a Varsity and an All-Star team were chosen. Varsity players were Frances Kojima, Margaret Otsuji, Carmen Rozadilla, Kyoko Takenaka, Katherine Stell, Ida Osada, Sally Woodard, Aiko Takimoto, Amy Uchimoto, and Helen Osada.

The All-Star team was composed of June Perry, Emi Mori, Pat Stell, Shirley Mangels, Barbara Okell, Yemiko Nishimura, Vangie Alameda, Dorothy Furtado, Alta Wagoner, and Elaine Chadbourne.

The Varsity, composed of the best players of Armijo, showed their ability in the games played against Vallejo, and Benicia. Vallejo was taken by the score of 18-14, and Benicia, 9-2.

Girls' Sports

Guards for the team were Sally Woodard, Alta Wagoner, Kyoko Takenaka, Aiko Takimoto, Margaret Otsuji, and Amy Uchimoto, while the forwards were Frances Kojima, Katherine Stell, Ida Osada, Carmen Rozadilla, and Helen Osada.

Volleyball was the next sport played. Exciting games were played under the management of Amy Uchimoto, who was the manager of this sport.

There were a few outstanding players during the season. Among these was Barbara Macy, who would "Smash" the ball into the opponent's court when she stood in the front row. Aiko Takimoto was always alert, and did a lot of good work, but she was mostly on the floor. Lucy Bay also proved that she was a very good player, and can be considered as one of the best players of Armijo.

Besides these sports, there were girls who practiced Archery. June Soares was the manager of this sport, and was one of the best among those who went out for this sport.

Badminton, Croquet, and Table Tennis were also favorites among some of the girls. These came under Minor Sports with Shirley Mangels as manager.

Outside of these various sports the G.A.S. can also be given consideration in connection with the sports played in Armijo.

On Thursday, March 21, the annual G.A.S. initiation was held in the Armijo cafeteria. Unlike the previous years' initiation, this year's was formal. There were fourteen new members who were able to join the G.A.S. for earning 250 points or more for the various sports in which they participated. Those who were initiated were Beverley Newell, Wanda Wood, Dickie Bransford, Olivia Muzio, Matilda Thompson, Marjorie Ridenhour, Barbara Macy, June Perry, Veleta Jones, Leola Wagoner, Antoinette Cordado, Norma Cherimisin, Louise Morris, Elise Lewis, and Josephine De-Gracia.

The G.A.S. officers for this term were Carmen Rozadilla, president; Alta Wagoner, vice-president; and Helen Hallisey, secretary-treasurer.

Jokes

"Doctor, what will it cost to fix me up in good health?"

"What's wrong with you?"

"I don't know."

"Okay, fifty dollars."

"I imitate birds for a living."

"Really? And who's the girl with you?"

"She's my tweet-heart."

"I was arrested at the costume ball for dressing like a lady."

"Go on!"

"No, Godiva!"

"I suppose you know all the big Hollywood stars by name?"

"No, just by reputation."

It's funny, but when a man goes out to sow wild oats he always starts with a little rye.

Two pints make one quote.

"Girls, is it true that too much water made Jerry a bald man?"

"Exactly, he went swimming in his toupee."

Sometimes birds of a feather don't always flock together, philosophizes Flo. Take the case of an old man who marries a young chicken and has to keep watching her like a hawk.

First Blonde—"Father walked in and turned on the light while I was entertaining my boy-friend."

Second Blonde—"I'll bet your heart leaped to your mouth."

First Blonde—"Gosh, no. He leaped out the window."

"My wife's having much better luck with her biscuits lately."

"Then her cooking's improving?"

"Not at all—but her aim is."

One little girl who doesn't like to be given a big hand for her performance is a manicurist.

Popular is the gal who is wanted by the police and the firemen and sailors, too.

The cutie who has a wealthy sugar daddy, is living on the fathead of the land.

A bird in the hand is a very unhappy creature.

"Darn that boy from Yale. He promised to stop kissing me last night."

"Well, why be so mad at him?"

"He kept his word."

She—"What would you do if I suddenly kissed you while you were driving fifty miles an hour?"

He—"One hundred miles an hour."
